

Compass Live Art 2024 Call Out Application Questions:

Written Application questions and Questions to be answered in Video Applications:

Tell us about your project or idea: (2000 characters)

How does it meet the brief for Compass Festival? (1000 characters)

You might focus on: why is it significant to Compass or potential audiences in Leeds? How might it be interactive with the public or specific communities? Why is Leeds the ideal place to host it? How does it engage with the current climate emergency?

Do you have a particular site or location in mind? (1000 characters)

Please be as descriptive as possible. If you aren't as familiar with Leeds, please describe the location where you envisage your project taking place, i.e. a city market, a shopping centre, a supermarket.

If you have already begun work on this project, please explain what you have done so far: (800 characters)

Please give us a short description of your practice and relevant previous work: (1500 characters)

What do you value in your practice? How do you tend to work? Have you created installation work before?

Required For All Applications:

Please give us an example of your experience of using participation or public engagement in your past work: (1500 characters)

Outline an indicative budget within the £5k-15k range: (2000 characters max)

Use a new line for each budget item.
